

WEST COAST RADIO

Hello!

My name is Lane Jensen. I am the broadcaster for Estacada High School Athletics on my new online radio station, West Coast Radio (www.westcoastradio.info). I started my coverage of Estacada High School Athletics in 2015 when I started writing stories and photography for Oregon Prep Sports. In 2018, I started broadcasting football games, travelling to Ontario, LaGrande, Cottage Grove, and even Prineville to watch the Rangers win game after game.

Of course, 2020 was a mess due to COVID-19, but we made it though and I was able to broadcast thanks to generous sponsors. Out of all that, I was deeply humbled by the entire coaching staff from Estacada High School to win the Citizen of the Year award for the 2020-2021 school year.

Over the last few years, I have been extremely humbled but the outpouring of support I have received from parents and local business owners for covering the costs of travelling to away games. I do not use a district vehicle, nor do I use a district fuel card. All the expenses come out of pocket, including using my own internet from my phone at away games if the host venue doesn't have internet available.

This is where I come to you for help. I have several different price points with several different options at each price point. Each price is per season.

\$150 – Included 2 recorded ads and a logo on the website for the season.

\$200 – Same as \$150 package plus naming rights to a part of the show.

\$250 – Same as \$200 package plus naming rights to an hour of music during non-broadcast hours.

\$300 – Same as \$250 package plus naming rights plus your ad played first for anybody logging in to listen to the radio station.

Thank you so much for your support. Please feel free to contact me with any questions you have via email or telephone.

Please make out checks payable to Lane Jensen, or you can use an electronic form of payment as well. Thank you for your support.
